

**Friedrich Oesterle joins Drees & Sommer International**

Since September 1, 2005 Friedrich Oesterle has reinforced the Drees & Sommer International team as General Manager in Stuttgart. His focus will be on acquisition and on start-up of special projects and major projects. Friedrich Oesterle has many years of experience in the construction and property business – especially internationally – gathered at companies including DaimlerChrysler, and as General Manager of the Property and Services Divisions of EnBW (Germany's third-largest energy company) and Siemens. Says Friedrich Oesterle of his new role, "I am looking forward to using long-established networks and excellent contacts to create synergies and especially to add value for both clients and Drees & Sommer".
