Approach with the motorcar from the direction of the A9:
You leave the motorway A9 at the exit for “Leipzig West” and follow the B181 until the city centre. After passing a big pedestrian bridge you will see on the left hand side the office building “Fürstenhof” corner “Trödlinring/Löhrstraße”. You sharply turn left the next traffic lights (U-turn).

Approach with the motorcar via the A14 East/West:
You leave the motorway A14 at the exit for Leipzig Centre/ Exhibition and follow the B2 in the direction of the city centre. In the centre you turn right on the “Tröndlinring” and follow the road approximately 250 meters until the “Löhrstraße”.

Approach from Leipzig/Halle Airport:
From the “Leipzig/Halle” Airport you will get by shuttle train to the main station in approximately 15 minutes. Having the main station before your eyes, you follow the “Tröndlinring” to the left approximately five minutes of walking until the office building “Fürstenhof” at the corner “Trödlinring/Löhrstraße”.

Approach from Leipzig main station:
After leaving the main station Leipzig you follow the “Tröndlinring” to the right and after five minutes of walking you will reach the office building “Fürstenhof” at the corner “Trödlinring/Löhrstraße”.
