www.dreso.com

By car:

Coming from north-west: After “Luise-Kiesselbach-Platz” stay on right and turn into the “Murnauer Strasse”, which then becomes the “Aidenbachstrasse”. Then turn right into the “Kistlerhofstrasse”. At the first intersection turn right into the “Geisenhausenerstrasse”.

Coming from south-east: Leave the “Mittlerer Ring” (middle ring road) at the Sendling exit (after the “Brudermühl Tunnel”). At the top, turn left into the “Passauerstrasse”, which then becomes “Hoffmannstrasse”. At the end of the “Hoffmannstrasse” turn right into the “Kistlerhofstrasse”. Then at the second intersection, turn right into the “Geisenhausenerstrasse”. There is reserved parking on the right at the bottom of the ramp down to the first level of the underground level.

From the main station:

By taxi: Travel time approx. 15 minutes.

By subway: Travel time approx. 20 minutes. Approx. 10 minutes. Take U1 or U2 heading for “Mangfallplatz” (U1) or “Messestadt Ost” (U2) to “Sendlinger Tor” station. There switch to the U3 tram heading toward Fürstenried West and take it until the stop marked “Machtlfinger Straße”. Exit the station on side marked “Helfenriederstraße”, then take a left onto the street of the same name and follow it for approx. 200 m. At the end of the street, take a right onto the Geisenhausenerstraße and follow it for approx. 100 m.

From the airport:

S1 or S8 heading for “Ostbahnhof” to “Marienplatz” station. Change to U3 heading for “Fürstenried”, then as described above.

You will find our office on the second floor.
